Other terms are defined in the context in which they are used throughout the Agreement.

2. SOFTWARE-AS-A-SERVICE RIGHTS, OBLIGATIONS, AND LIMITATIONS.

2.1 Provision of SaaS Services and Platform. Subject to the provisions of this Agreement, Pequity will make available to Client and its designated Affiliates and their respective Authorized Users on a non-exclusive and non-transferable basis the SaaS Services, Platform, and Documentation in accordance with the applicable Order, Documentation, and other terms of this Agreement. Unless expressly provided otherwise, Pequity will be responsible for: (a) hosting, operating, maintaining, and supporting the Platform; and (b) providing standard support (and/or specialized support if identified on an Order or SOW).

2.2 Access and Use Rights. Client will be responsible for providing its own Internet access and all equipment and software necessary to connect to the Platform. Client is solely responsible for any fees, including internet connection fees, that Client incurs when accessing the Platform and the Services. Pequity may specify reasonable procedures in the Documentation according to which Client and Authorized Users may establish and obtain such access to and use of the features and functions of the SaaS Services and Platform through the Internet, including, without limitation, provision of any access codes, passwords, web-sites, connectivity standards or protocols, or any other relevant procedures. Subject to the terms of this Agreement, Pequity hereby grants to Client the non-transferable (except as otherwise permitted by this Agreement), nonexclusive, non-sublicensable, limited right and license to use and access the SaaS Services and Platform in accordance with the applicable Order(s), Documentation, and other provisions of this Agreement. Such rights and license include the right for Client, its Affiliates, and all Authorized Users to use and access the Platform.

2.3 Orders. If Client desires to access or use additional SaaS Services and/or increase any limitation on the number of named users, concurrent users, devices, location, transactions, or other elements, as applicable (**“Unit of Measure”**), in the initial Order or any subsequent Order, the authorized representatives of the Parties will execute a new Order. Upon Pequity’s written acceptance of the new Order, such new Order will be effective. All Orders are subject to and hereby incorporate all Exhibits and the terms of this Agreement.

2.4 Usernames and Passwords. Each Authorized User will use his or her unique username and password to access the Platform pursuant to this Agreement. Authorized Users may only access the Platform during one (1) concurrent login session. Client acknowledges and agrees that: (a) only Authorized Users are entitled to access the Platform with their unique usernames and passwords; (b) it will provide to Pequity information and other assistance as necessary to enable Pequity to establish access to the Platform for the Authorized Users, and will verify all Authorized User requests for access to the Platform; (c) it will ensure that each unique username and password issued to an Authorized User will be used only by that Authorized User when accessing the Platform; (d) Client must procure that the Authorized User complies with the Platform Terms of Service prior to accessing the Platform; (e) Client is responsible for maintaining the confidentiality of all Authorized Users' unique usernames and passwords, and is solely responsible for all activities that occur under these Authorized User accounts; and (f) Client will notify Pequity promptly of any actual or suspected unauthorized use of any account, username, or passwords, or any other breach or suspected breach of this Agreement. Pequity reserves the right to suspend, disable or terminate any Authorized User's access to the Platform that Pequity reasonably determines may have been used by an unauthorized third party. The unique usernames and passwords cannot be shared or used by more than one individual Authorized User to access the Platform.

2.5 Limitations on Use. Except as otherwise provided in this Agreement, Client will not, and will procure that its Affiliates, and their respective Authorized Users will not: (a) sell, rent, lease, sublicense or otherwise transfer or distribute the Platform or Documentation or any copies of the Platform or Documentation; (b) modify, translate, reverse engineer, decompile or disassemble the Platform; (c) create or prepare derivative works based upon the Platform; (d) create any copy of or "mirror" the Platform; (e) alter, destroy or otherwise remove any proprietary notices or labels on or embedded within the Platform or Documentation; (f) engage in recruitment or hiring practices in connection with the use of the Services or the Platform in a manner contrary to federal, state or local laws, including in violation of applicable laws or regulations related to the prohibition of employment discrimination.

2.6 Affiliate Participation. Pequity agrees that Affiliates may procure additional SaaS Services and access to the Platform relating to their business and operations pursuant to the terms and conditions of this Agreement upon execution of an Order by an Affiliate, in which case such Affiliate will be deemed to be a party hereunder with the same rights and obligations as Client, and the terms of this Agreement will be incorporated into the Order executed by the Affiliate, but such Affiliate will be invoiced separately and will be solely responsible to Pequity for its respective obligations and liabilities under this Agreement. An Affiliate or Pequity may terminate this Agreement as it applies to such Affiliate in the same manner that Client or Pequity may terminate this Agreement, but any such termination by an Affiliate will apply only to such Affiliate. All licenses or Services procured by Client and by all Affiliates will be aggregated for purposes of determining any volume-based price discounts under this Agreement.

2.7 Client Data. Client is solely responsible for any and all obligations with respect to the accuracy, quality and legality of Client Data. Client will obtain all third party licenses, consents and permissions needed for Pequity to use, copy, store and process the Client Data to provide the Services. Without limiting the foregoing, Client will be solely responsible for obtaining from third parties (including all Authorized Users, Affiliates and their respective employees and contractors) all necessary consents and rights for Pequity to use the Client Data submitted by or

on behalf of Client, an Affiliate or Authorized Users for the purposes set forth in this Agreement, including all consents required in accordance with all applicable privacy laws.

3. PROFESSIONAL SERVICES.

3.1 Professional Services. Client may elect from time-to-time to obtain from Pequity Professional Services relating to the Platform that are in addition to the SaaS Services including, customized user training, specialized support, integration, enhancements, and development pursuant to a Statement of Work (each, a “**SOW**”). Each SOW will describe the fees, costs and expenses payable by Client to Pequity and any assumptions or dependencies relating to such Professional Services.

3.2 Changes. A Party may request a modification to the SaaS Services, Platform, Professional Services, or any applicable SOW or Order by written request to the other Party (“**Change Order**”). Change Orders will be performed under the terms of this Agreement and the applicable SOW once mutually agreed. Changes in any SOW will become effective only when executed by authorized representatives of both Parties. Client acknowledges that Change Orders made after execution of this Agreement that fall outside the scope of the then applicable Order Form may delay the full implementation of the Services, and that delays due to such Change Orders shall not constitute non-performance of this Agreement on the part of Pequity, and that such initial delays due to Change Orders shall not be used as the basis for a pro-rated refund pursuant to Sections 6.2 and 6.3 herein.

4. FEES.

4.1 SaaS Fees. Client will pay to Pequity the charges set forth in the applicable Order for the provision and use of the SaaS Services and Platform (the “**SaaS Charges**”), subject to the other provisions of this Section 4 (Fees). If at any time Client adds on a free Service, provided by Pequity, Client acknowledges that Pequity reserves the right to display ads within the Software, during the Client’s use of the free Service.

4.2 Professional Services Fees. Client will pay to Pequity the charges set forth in the applicable SOW for the Professional Services (the “**Professional Services Charges**”), subject to the other provisions of this Section 4.

4.3 Payment of Fees. All SaaS Charges, Professional Service Charges, and other amounts payable by Client under this Agreement (collectively, “**Charges**”), which are not disputed in good faith, are due and payable within thirty (30) days of Client’s receipt of the applicable invoice. If an undisputed Charge is not paid within ten (10) days after Client’s receipt of a notice from Pequity of a past due Charge, a late payment fee of one and a half percent (1.5%) of the balance due or the maximum amount permitted by law, whichever is lower, will be due and payable by Client to Pequity for each month such invoice remains unpaid. Client will not have any obligation to pay any disputed amount until fifteen (15) days after such dispute has been resolved and the amount owed (if any) by Client has been determined. In the event Client disputes all or any portion of the Charges in any properly submitted invoice, the Parties agree to engage in good faith efforts to promptly resolve any such dispute for at least fifteen (15) days. Pequity will continue to provide the Service and perform its obligations until a resolution is reached or the Agreement is terminated in accordance with its terms.

4.4 Reimbursement of Expenses. Client will reimburse Pequity for any reasonable out-of-pocket expenses which are approved by Client prior to being incurred by Pequity for the performance of the Professional Services. Pequity will submit to Client a weekly invoice for expenses incurred in such form and detail as Client reasonably requires.

4.5 Taxes. Except for taxes based upon Pequity's income or for goods or services used or consumed by Pequity in connection with providing the Services under this Agreement, Client will be responsible for all sales, use, excise, duties, tariffs, or any other form of taxes resulting from Client's use of the Platform or imposed, levied or assessed in connection with Client's use of the Services and Platform, unless Client provides Pequity with a valid tax exemption certificate authorized by the appropriate taxing authority.

4.6 Right to Inspection. Client grants to Pequity, or its independent nationally recognized accountants, upon fifteen (15) days prior written notice, the right to reasonably examine those portions of its books, records and accounts related to this Agreement during Client's normal business hours and not more than once per year solely to verify Client's compliance with this Agreement. If any audit of Client's books and records reveals that Client has failed properly to account for and pay any amounts due and payable to Pequity hereunder (an "**Underpayment**"), and the amount of any such Underpayment exceeds by five percent (5%) or more the amounts actually accounted for and paid to Pequity, then Client will pay Pequity all undisputed past due amounts and reimburse Pequity for Pequity's reasonable expenses incurred in conducting the audit.

5. OWNERSHIP.

5.1 Ownership Rights. Except for the license and other rights granted to Client in this Agreement, Pequity retains all right, title and interest in and to the Platform, Documentation, the Services and Pequity's Confidential Information, including all Intellectual Property Rights therein. Further, Client acknowledges and agrees that the Platform, derivatives thereof, ideas, methods of operation, modifications, changes, enhancements, conversions, upgrades, additions, sub-systems and modules included in the Platform are proprietary material which contain valuable trade secrets of Pequity.

5.2 Ownership of Client Data.

(a) Pequity acknowledges and agrees that, as between the Parties, Client exclusively owns all right, title, and interest in and to Client's Confidential Information and the Client Data, including all Intellectual Property Rights therein. Client grants to Pequity a non-exclusive, worldwide, royalty-free and fully paid license during the Term, to download, store, process and use the Client Data as necessary for purposes of providing and improving the Platform and the Services.

(b) Client further grants to Pequity a nonexclusive, worldwide, royalty-free, fully paid license to download, store, process and use the Client Data in anonymized and aggregated form ("Anonymized Data") for generating data, reports, statistics, and benchmarks and similar research and analytics relating to market and industry trends, provided that the anonymized data does not include information that identifies an entity or an individual. Pequity de-identifies such data so that the data cannot be traced to an individual, a customer, or a device and removes the following identifiers: entity names, names of individuals, addresses, phone numbers, e-mail address(es) and any other information which could reasonably be anticipated to identify, when taken in the aggregate, a specific entity, group, organization, or individual. This license is

perpetual, irrevocable, and sublicensable and includes the right to reproduce, display, adapt, modify, transmit, and distribute the Anonymized Data to third parties. Pequity owns any derivative works of the Anonymized Data, subject to Client's rights in the underlying Client Data.

5.3 Return of Client Data. Upon termination of this Agreement, Pequity will promptly return Client's Confidential Information and Client Data to Client.

5.4 Deliverables. Any written materials or deliverables (collectively "Deliverables") prepared for Client (excluding any derivative works to the Platform or Documentation) and that are expressly stated to be owned by Client in a SOW will be the property of Client, and Pequity agrees to assign and hereby does assign to Client any and all of its rights in such Deliverables. Any Deliverable not assigned to Client is hereby licensed to Client as if it were part of the Platform or Documentation.

5.5 Residuals. Subject to Sections 5 (Ownership) and 7 (Confidentiality), each Party will be free to use any general concepts, techniques, feedback, and know-how provided to it, used by it, or developed in the course of this relationship without restriction.

6. TERM OF AGREEMENT AND DEFAULT.

6.1 Term. The term of this Agreement will commence upon the Effective Date and will be coterminous with the initial Order. If any subsequent Orders or SOWs are executed by the Parties referencing this Agreement, this Agreement will continue in effect with respect to the term of such subsequent Orders or SOWs. The "Term" means the term of such initial Orders and any subsequent Orders or SOWs, including renewals and extensions. The Term, including any applicable Order, will automatically extend for additional one (1) year periods at Pequity's then-current charges for the Services unless Client provides Pequity with notice of its intent not to extend within thirty (30) days of the end of the then-current Term.

6.2 Mutual Termination. Either Party will have the right to terminate this Agreement by providing written notice to the other Party:

(a) if the other Party materially breaches a provision of this Agreement, and if curable, fails to cure such breach within thirty (30) days of receipt of written notice from the other Party. A breach on the part of Pequity shall only be construed as a material breach in the event that the terms of Exhibit A (Service Level Agreement) or Section 7 (Confidentiality) of this Agreement are breached, and such material breach shall be deemed rectified by Client once the breached term(s) of Section 7 or Exhibit A have been remedied and such remediation has been communicated to Client by Pequity. In the event of a material breach, Client must provide written communication to Pequity labeling which specific provisions of Section 7 or Exhibit A constitute a material breach so that Pequity may move forward on curing such material breach. If some of, but not all of a material breach is communicated by Client to Pequity, then the thirty (30) day cure period shall commence on the day that the additional part of a material breach has been communicated by Client to Pequity.

(b) or if either Party wishes to terminate this agreement for convenience, provided that said Party provides the other Party with thirty (30) days written notice of their intent to terminate for convenience; or

(c) upon the occurrence of any of the following events, but only to the extent such events are not dismissed within ninety (90) days from the date such events first occurred: (i) a receiver is appointed for the other Party; (ii) the other Party makes a general assignment of all or substantially all of its assets for the benefit of its creditors; (iii) the other Party commences or has commenced against it, proceedings under any bankruptcy law; or (iv) the other Party ceases to do business.

6.3 Effect of Termination. Except as expressly set forth otherwise in this Agreement, upon termination or expiry of this Agreement: (a) the licenses and rights granted hereunder will be terminated and Client will immediately cease using the Platform, Documentation, and Pequity's Confidential Information; (b) the Platform (and associated hosting and support Services) will cease to be accessible to Client or to its Authorized Users; (c) upon the Disclosing Party's written request, the Receiving Party will immediately return all Confidential Information to the Disclosing Party; and (d) Client will immediately pay all accrued but unpaid SaaS Charges, Professional Services Charges. The Parties' rights and obligations under Sections 2.5, 2.7, 4, 5, 6.3, 7, 8.2, 8.3, 9, 10, 11.2, 11.3 and 12 will survive termination of this Agreement and any Order. In the event Client terminates this Agreement pursuant to Section 6.2(a) or 6.2(c), Client will only receive a refund of any pre-paid but unearned fees prorated on a monthly basis for the remainder of the term of the applicable Order Form, and such pro-rated refund shall only be granted in the event that Client terminates this Agreement pursuant to 6.2(a) or 6.2(c) within six (6) months of the Effective Date. In the event either Party terminates this Agreement pursuant to 6.2(b) at any time, or pursuant to 6.2(a) or 6.2(c) beyond six (6) months from the Effective Date, then no pro-rated refund shall be granted to Client.

7. CONFIDENTIALITY.

7.1 General. During the Term and thereafter, each Party will treat as confidential all Confidential Information of the other Party, will not use such Confidential Information except as expressly set forth herein or otherwise authorized in writing, will implement reasonable procedures to prohibit the unauthorized use, disclosure, duplication, misuse or removal of the other Party's Confidential Information and will not disclose such Confidential Information to any third party except as may be necessary and required in connection with the rights and obligations of such Party under this Agreement, and subject to confidentiality obligations at least as protective as those set forth herein. Without limiting the foregoing, each of the Parties will use at least the same procedures and degree of care which it uses to prevent the disclosure of its own confidential information to prevent the disclosure of Confidential Information disclosed to it by the other Party under this Agreement, but in no event less than reasonable care. Except as expressly authorized in this Agreement, neither Party will copy Confidential Information of the other Party without the Disclosing Party's prior written consent.

7.2 Exclusions. Except as otherwise provided below, Confidential Information will not include, or will cease to include, as applicable, Confidential Information that the Receiving Party can document and prove: (a) is or becomes generally available to the public through no improper action or inaction by the Receiving Party; (b) was known by the Receiving Party or in the Receiving Party's possession prior to receipt of the Disclosing Party's Confidential Information as shown by the Receiving Party's business records kept in the ordinary course; (c) is disclosed with the prior written approval of the Disclosing Party; (d) was independently developed by the Receiving Party without use of or reference to the Disclosing Party's Confidential Information and provided that the Receiving Party can demonstrate such independent development by documented evidence prepared contemporaneously with such independent development; or (e)

becomes known to the Receiving Party from a source other than the Disclosing Party without breach of this Agreement by the Receiving Party and otherwise not in violation of the Disclosing Party's rights.

7.3 Court Order. The Receiving Party may disclose Confidential Information of the other Party only pursuant to the order or requirement of a court, administrative agency, or other governmental body and only provided that the Receiving Party provides prompt, advance written notice thereof to enable the Disclosing Party to seek a protective order or otherwise prevent such disclosure. In the event such a protective order is not obtained by the Disclosing Party, the Receiving Party will disclose only that portion of the Confidential Information which its legal counsel advises that it is legally required to disclose. Confidential Information so disclosed will continue to be deemed Confidential Information as between the Parties hereto.

7.4 Remedies. If either Party breaches any of its obligations with respect to confidentiality or unauthorized use or disclosure of Confidential Information hereunder, the other Party is entitled to seek equitable and injunctive relief in addition to all other remedies that may be available to protect its interest.

7.5 Return. Upon the Disclosing Party's written request, the Receiving Party will promptly return or destroy, at the Disclosing Party's option, all tangible copies of the Disclosing Party's Confidential Information.

8. DATA SECURITY.

8.1 Data Security. Pequity will: (a) protect the security and integrity of all Client Data that is collected, accessed, stored or received by Pequity in connection with the Platform or the performance of the Services, including, without limitation all End User Data; and (b) develop, implement and maintain a written comprehensive security program ("**Security Program**") with administrative, technical and physical safeguards to protect the Client Data against any unauthorized disclosure or use of such data and any anticipated or reasonably foreseeable threats or hazards to the security or integrity of such Client Data. The Security Program must comply with all applicable federal and state privacy laws. To the extent that Pequity processes Personal Data subject to the GDPR (as both terms are defined in the DPA), Pequity shall comply with its obligations under the DPA.

8.2 Client Responsibility for Data and Security. Client and its Authorized Users will have access to the Client Data and will be responsible for all changes to and/or deletions of Client Data and the security of all passwords and other usernames and passwords required in order to access the Platform and the Services. Client will have the sole responsibility for the accuracy, quality, integrity, legality, reliability, and appropriateness of all Client Data. Pequity is not obligated to back up any Client Data and the Client is solely responsible for creating backup copies of any Client Data at Client's sole cost and expense.

8.3 End User Notice. If any disclosure, use or breach of any End User Data requires Client, under applicable laws or regulations, to make a disclosure to any third party, Client will be solely responsible for making such disclosure, including determining the content, methods, and means of such disclosure. Pequity will reasonably cooperate with Client in formulating the disclosure, but Pequity will not make any such disclosure at its own initiative without Client's prior consent. To the extent the breach is caused by or related to a breach of the Agreement by Pequity (or its employees, contractors, service providers, representatives, or advisors), Pequity will pay all

reasonable costs and expenses of: (a) such disclosures and notification (including any legal or forensic expenses, fulfillment service expenses, or call center expense relating to the breach); and (b) any applicable monitoring and reporting on the impacted individuals' credit records or the restoration of the impacted individuals' credit or identity.

9. INDEMNIFICATION.

9.1 Indemnification by Pequity. Pequity will defend at its expense any suit brought against Client, and will pay any settlement Pequity makes or approves, or any damages finally awarded in such suit, insofar as such suit is based on a claim by any third party asserting that the Platform, Services, or the use thereof (as permitted under this Agreement) infringes or misappropriates any third party's Intellectual Property Rights ("**Claim**"). If the Platform or Services becomes the subject of a Claim or if Pequity believes that the Platform or Services is likely to become the subject of a Claim, Pequity may, at its sole discretion and expense: (a) obtain a license from such third party for the benefit of Client; (b) replace or modify the Platform or Services ("**Replacement**") so it is no longer the subject of a Claim so long as such Replacement performs substantially the same functions as the Platform or Services at issue; or (c) if neither of the foregoing is commercially feasible, terminate this Agreement and refund all Charges for any pre-paid SaaS Charges or Professional Services Charges (as applicable). Notwithstanding the foregoing, Pequity will have no obligation under this Section or otherwise with respect to any infringement claim based upon: (x) any use of the Platform or Services not in accordance with this Agreement or as specified in the Documentation; (y) any use of the Platform or Services in combination with other products, equipment, software or data not supplied by Pequity; or (z) any modification of the Platform or Services by any person other than Pequity or its authorized agents (collectively, the "**Exclusions**" and each, an "**Exclusion**"). This Section states the sole and exclusive remedy of Client and the entire liability of Pequity, or any of the officers, directors, employees, shareholders, contractors or representatives of the foregoing, for infringement claims and actions.

9.2 Indemnification by Client. Client will defend at its expense any suit brought against Pequity, and will pay any settlement Client makes or approves, or any damages finally awarded in such suit, insofar as such suit is based on a third party claim arising out of or relating to: (a) an Exclusion; or (b) Client's breach or alleged breach of Sections 2.5 or 11.2. This Section states the sole and exclusive remedy of Pequity and the entire liability of Client, or any of its officers, directors, employees, shareholders, contractors or representatives, for the claims and actions described herein.

9.3 Procedure. The indemnifying Party's obligations as set forth above are expressly conditioned upon each of the foregoing: (a) the indemnified Party promptly notifying the indemnifying Party in writing of any threatened or actual claim or suit; (b) the indemnifying Party having sole control of the defense or settlement of any claim or suit; and (c) the indemnified Party cooperating with the indemnifying Party to facilitate the settlement or defense of any claim or suit.

10. LIMITATION OF LIABILITY.

10.1 EXCEPT AS OTHERWISE PROVIDED IN SECTION 10.3, IN NO EVENT WILL EITHER PARTY'S TOTAL AGGREGATE LIABILITY ARISING OUT OF OR RELATING TO THIS AGREEMENT (INCLUDING, BUT NOT LIMITED TO, CLAIMS FOR NEGLIGENCE, STRICT LIABILITY, BREACH OF CONTRACT, MISREPRESENTATION,

INFRINGEMENT OR OTHER CONTRACT OR TORT CLAIMS) EXCEED THE TOTAL CHARGES PAID BY CLIENT TO PEQUITY DURING THE MOST RECENT 12 MONTH PERIOD PRIOR TO THE LAST EVENT GIVING RISE TO LIABILITY.

10.2 EXCEPT AS OTHERWISE PROVIDED IN SECTION 10.3, IN NO EVENT WILL EITHER PARTY BE LIABLE FOR INDIRECT, SPECIAL, PUNITIVE, INCIDENTAL, OR CONSEQUENTIAL DAMAGES ARISING OUT OF THIS AGREEMENT EVEN IF INFORMED OF THE POSSIBILITY THEREOF IN ADVANCE.

10.3 THE PARTIES EACH ACKNOWLEDGE AND AGREE THAT THE LIMITATIONS OF LIABILITY SET FORTH IN THIS SECTION 10 (LIMITATION OF LIABILITY) WILL NOT APPLY TO ANY LOSSES AS THE RESULT OF: (A) A PARTY'S PAYMENT TO A THIRD PARTY UNDER THE INDEMNIFICATION OBLIGATIONS HEREUNDER; OR (B) A BREACH OF LICENSES OR INTELLECTUAL PROPERTY RIGHTS GRANTED HEREIN.

10.4 Except as otherwise expressly provided herein, all rights and remedies of the Parties are separate and cumulative. The waiver or failure of either Party to exercise in any respect any right or remedy provided herein will not be deemed a waiver of any further right or remedy hereunder.

11. REPRESENTATIONS AND WARRANTIES.

11.1 Pequity Limited Warranty. Pequity represents and warrants that:

- (a) the Services will be performed consistent with generally accepted industry practices; and
- (b) the Platform will perform in accordance with the service levels set forth on Exhibit A (Service Levels).

Client must report any deficiencies in the performance of the above warranties to Pequity in writing within thirty (30) days of the non-conformance. Provided the Client has complied with the foregoing, for any breach of the above warranties, Client's exclusive remedy, and Pequity's entire liability, will be the re-performance of the Services and if Pequity fails to re-perform the Services as warranted, Client's sole and exclusive remedy shall be to terminate this Agreement pursuant to Sections 6.2 and 6.3.

11.2 Client Warranty. Client represents and warrants that:

- (a) it has procured all applicable consents required to provide the Client Data to Pequity for the performance of the Services and to grant all rights to Client Data as specified herein, including in accordance all applicable privacy laws;
- (b) the Client Data will not: (i) infringe or misappropriate any third party's Intellectual Property Rights; (ii) be deceptive, defamatory, obscene, pornographic or unlawful; (iii) contain any viruses, worms or other malicious computer programming codes intended to damage the Platform; and (iv) otherwise violate the rights of a third party (including under all applicable privacy laws); and
- (c) neither Client, nor any of its Affiliates, nor any of their respective Authorized Users, shall upload to the Platform any Client Data that contains any sensitive personal information (such as

financial, medical or other sensitive personal information such as government IDs, passport numbers or social security numbers).

11.3 DISCLAIMER. 2. PROCESSING OF CUSTOMER PERSONAL DATA

2.1 The parties acknowledge that Supplier acts as a Processor; and Customer acts as the Controller.

2.2 Supplier shall comply with the GDPR and CCPA in Processing Customer Personal Data; and not Process Customer Personal Data other than on Customer’s instructions; and as required by applicable laws. To the extent permitted by applicable laws, Supplier shall inform Customer of any Processing to be carried out as required by applicable laws and the relevant legal requirements that require it to carry out such Processing, before the relevant Processing of that Customer Personal Data.

If, within fourteen (14) days of receipt of that notice, Customer notifies Supplier in writing of any objections (on reasonable grounds) to the proposed appointment, Supplier shall use reasonable efforts to make available a commercially reasonable change in the provision of the Services, which avoids the use of that proposed Subprocessor. If such a change cannot be made within fourteen (14) days from Supplier receipt of Customer's notice, no commercially reasonable change is available, and/or Customer declines to bear the cost of the proposed change, either party may by written notice to the other party with immediate effect terminate the Agreement either in whole or to the extent that it relates to the Services which require the use of the proposed Subprocessor.

5.4 With respect to each Subprocessor, Supplier shall ensure that the arrangement between Supplier and the Subprocessor is governed by a written contract including terms which offer at least an equivalent level of protection for Customer Personal Data as those set out in this Data Processing Addendum.

6. DATA SUBJECT RIGHTS

6.1 Considering the nature of the Processing, Supplier shall provide Customer with such assistance as may be reasonably necessary and technically possible in the circumstances, to assist Customer in fulfilling its obligation to respond to Data Subject Requests.

6.2 Supplier shall promptly notify Customer if it receives a Data Subject Request, and ensure that it does not respond to any Data Subject Request except on the written instructions of Customer (and in such circumstances, at Customer's cost) or as required by applicable laws.

7. PERSONAL DATA BREACH

7.1 Supplier shall notify Customer without undue delay upon Supplier becoming aware of a Personal Data Breach affecting Customer Personal Data, providing Customer with sufficient information (insofar as such information is, at such time, within Supplier's possession) to allow Customer to meet any obligations under the GDPR or CCPA to report the Personal Data Breach to affected Data Subjects or the relevant Supervisory Authority(ies) (as may be determined in accordance with the GDPR or CCPA).

7.2 Supplier shall, at Customer's sole cost and expense, co-operate with Customer and take such reasonable commercial steps as may be directed by Customer to assist in the investigation, mitigation and remediation of each such Personal Data Breach.

8.1 Supplier shall provide reasonable assistance to Customer, at Customer's cost, with any data protection impact assessments, and prior consultations with Supervisory Authorities, which Customer reasonably considers to be required of it by Article 35 or Article 36 of the GDPR, in each case solely in relation to Processing of Customer Personal Data by, and taking into account the nature of the Processing by, and information available to, Supplier.

9. DELETION

9.1 Subject to Paragraph 9.2 and 9.4, upon the date of cessation of any Services involving the Processing of Customer Personal Data (the "**Cessation Date**"), Supplier shall immediately cease all Processing of the Customer Personal Data for any purpose other than for storage.

9.2 Customer hereby acknowledges and agrees that, due to the nature of the Customer Personal Data Processed by Supplier, return (as opposed to Deletion) of Customer Personal Data is not a reasonably practicable option in the circumstances. Having regard to the foregoing, Customer agrees that (for the purposes of Article 28(3)(g) of the GDPR) it is hereby deemed (at the Cessation Date) to have irrevocably selected Deletion, in preference of return, of the Customer Personal Data. Under the Cal. Civ. Code § 1798.105 of the CCPA, the Customer has the right to request the deletion of Personal Data.

9.3 To the fullest extent technically possible in the circumstances, within thirty (30) days after the Cessation Date, Supplier shall either (at its option) delete; or irreversibly render Anonymised Data, all Customer Personal Data then within Supplier's possession.

9.4 Supplier and any Subprocessor may retain Customer Personal Data where required by applicable law, for such period as may be required by such applicable law, provided that Supplier

and any such Subprocessor shall ensure the confidentiality of all such Customer Personal Data; and that such Customer Personal Data is only Processed as necessary for the purpose(s) specified in the applicable law requiring its storage and for no other purpose.

10.2 Subject to Paragraphs 10.3 and 10.4, in the event that Customer (acting reasonably) is able to provide documentary evidence that the information made available by Supplier pursuant to Paragraph 10.1 is not sufficient in the circumstances to demonstrate Supplier's compliance with this Data Processing Addendum, Supplier shall allow for and contribute to audits, including on-premise inspections, by Customer or an auditor mandated by Customer in relation to the Processing of the Customer Personal Data by Supplier.

10.3 Customer shall give Supplier reasonable notice of any audit or inspection to be conducted under Paragraph 10.1 (which shall in no event be less than fourteen (14) days' notice unless required by a Supervisory Authority pursuant to Paragraph 10.4(f)(i)) and shall use its best efforts (and ensure that each of its mandated auditors uses its best efforts) to avoid causing, and hereby indemnifies Supplier in respect of, any damage, injury or disruption to Supplier's premises, equipment, Personnel, data, and business (including any interference with the confidentiality or security of the data of Supplier's other customers or the availability of Supplier's services to such other customers) while its Personnel and/or its auditor's Personnel (if applicable) are on those premises in the course of any on-premise inspection.

10.4 Supplier need not give access to its premises for the purposes of such an audit or inspection:

- (a)** to any individual unless he or she produces reasonable evidence of their identity and authority;
- (b)** to any auditor whom Supplier has not given its prior written approval (not to be unreasonably withheld);
- (c)** unless the auditor enters into a non-disclosure agreement with Supplier on terms acceptable to Supplier;
- (d)** where, and to the extent that, Supplier considers, acting reasonably, that to do so would result in interference with the confidentiality or security of the data of Supplier's other customers or the availability of Supplier's services to such other customers;
- (e)** outside normal business hours at those premises; or
- (f)** on more than one occasion in any calendar year during the term of the Agreement, except for any additional audits or inspections which Customer is required to carry out under the GDPR or by a Supervisory Authority, where Customer has identified the relevant requirement in its notice to Supplier of the audit or inspection.

10.5 Customer shall bear any third party costs in connection with such inspection or audit and reimburse Supplier for all costs incurred by Supplier and time spent by Supplier (at Supplier's then-current professional services rates) in connection with any such inspection or audit.

11. RESTRICTED TRANSFERS

11.1 Subject to Paragraph 11.4, to the extent that any Processing by either Supplier or any Subprocessor of Customer Personal Data involves a Restricted Transfer to the United States or to another Restricted Country, the parties agree that Customer – as “data exporter”; and Supplier or Subprocessor (as applicable) – as “data importer”, shall enter into the Standard Contractual Clauses in respect of that Restricted Transfer and the associated Processing in accordance with Paragraph 11.4.

11.2 In relation to any EU Restricted Transfer associated with the Processing by Supplier in the United States or other Restricted Countries, the parties shall comply with their respective obligations set out in the EU Standard Contractual Clauses, which are deemed to be entered into with effect from the first date of any such EU Restricted Transfer.

11.4 Notwithstanding the foregoing, (i) the EU Standard Contractual Clauses will not apply to the extent an alternative recognized compliance standard under Chapter V of the EU GDPR for

the lawful transfer of Personal Data outside the EEA applies to the relevant EU Restricted Transfer; and (ii) the UK Standard Contractual Clauses will not apply to the extent an alternative recognized compliance standard under Chapter V of the UK GDPR for the lawful transfer of Personal Data outside the UK applies to the relevant UK Restricted Transfer.

12. CHANGE IN LAWS

12.1 In the event that there is a change in the GDPR or CCPA that Supplier considers (acting reasonably) would mean that Supplier is no longer able to provide the Services (including any Processing and/or Restricted Transfer(s) of Customer Personal Data) in accordance with its obligations under the GDPR or CCPA, Supplier reserves the right to make such changes to the Services and to amend any part of this Data Processing Addendum as it considers reasonably necessary to ensure that Supplier is able to provide the Services in accordance with the GDPR or CCPA.
